

Shell Island Sail & Power Club

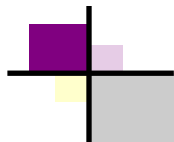

Gala Day 2011

9th July

“All Hands on Deck”

Required for Gala Day this year. We are hoping to make it better than ever, and you can help. We need people to help run the stalls, or bring your own—Please let Zena know asap so she can match people to places.

Matt will be bringing his Ducks & Rifle Range stalls—As we all know they take a lot of putting up & dismantling—Any help would be *g r e a t l y* appreciated—particularly on Friday evening / Sun morning—again, please contact Zena

Have You Got?

We are looking for donations of empty screw top wine bottles (full ones always welcome) as well as small cheap gifts and toys for the Childrens lucky dip. Home made cakes for the stall would be great.

Please give generously

If you're allocated Duck Race tickets to sell to your family and friends, please do this and return as soon as possible so the money can be accounted for and races arranged

Help always needed erecting and dismantling the Marquee—please let Zena know you're available so she can co-ordinate

Gala Co-Ordinator
